About the College:

Rajkeeya Mahavidyalaya Thatyur, located along the Aglaad River in Tehri Garhwal, Uttarakhand, is a centre of Higher education fostering knowledge and development. Situated at 1,830 meters above sea level, the college offers a unique academic environment amidst the Himalayan landscape. The college was established in 2009 and it is affiliated to Sri Dev Suman Uttarakhand University. With a strong focus on academic excellence and skill development, the college promotes interactive learning through Seminars, Workshops, and extra-curricular activities. It has achieved milestones in students' success, research participation, environmental initiatives like tree plantation and waste management. The college has introduced various skill-based training program for the students. Committed to women empowerment, the college is playing a significant role in overall development of female students who constitute nearly 80 percent of students enrolled in the college. Students have excelled in competitive examination and are securing important positions in government, academia, and research organizations. GDC Thatyur continues to evolve as a model rural institution, dedicated to quality education, environmental conservation and societal progress, shaping responsible citizens and future leaders.
